Volunteer Opportunities

The OSRT is a very active organization with many volunteer opportunities. It is a wonderful way to give back to your profession and share your knowledge with others. Individuals can contribute their time and expertise in addition to monetary gifts to support the mission of the OSRT and the OSRT Education and Research Foundation. To learn more about OSRT volunteer opportunities go to www.osrt.org. On the OSRT Home page, click on *The OSRT wants you*. This will take you to the volunteer section of the OSRT website. OSRT volunteers must be OSRT members.

Cancellation Policy

To receive a refund, we must receive your request **7 days** prior to the start of the conference. Refunds will be issued based on your original method of payment, and a \$50 cancellation fee will be deducted. No refund, full or partial, will be made after that date. All cancellation/refund requests should be faxed to the Executive Secretary at 866-317-9472 or emailed to osrt@osrt.org.

Continuing Education Credits

All educational sessions are approved for category A or A+ credit by the American Society of Radiologic Technologists (A.S.R.T.). Applicable sessions are also approved by the Medical Dosimetry Certification Board (M.D.C.B.).

In order to receive appropriate documentation for credit, you are required to bring your CE Documentation Form to every education session. **Write your name on the CE Documentation Form.** The reference number for each session will be announced at the end of the session and you must write the reference number on the duplicate form in the appropriate space. The reference number will be announced only once so please pay careful attention.

Because most educational sessions are 50 minutes in length, **you are not permitted to enter or leave the room once the presentation begins.** Hence, use your comfort breaks between sessions wisely and plan accordingly. If you wish to enter late or leave early, then you will not receive credit for the session and the room moderator will mark your CE Documentation Form in the appropriate space with the words "No Credit" and then initial the space.

After attending your final session and before leaving for home, place the bottom copy of the duplicate form in the basket at the rear of the room or in the registration area, and then keep the top copy for your records. This allows the O.S.R.T. to keep a record of your attendance at educational sessions. According to A.S.R.T. policy, A.S.R.T. members are responsible for submitting their CE Documentation Form to the A.S.R.T. Sessions approved for A+ credit are designated with an plus (+) symbol.

Educational Opportunities

Sixteen (16) educational sessions are planned for the Annual Meeting and have been submitted to the ASRT for Category A approval. Additional session information including an abstract for each session is available on the OSRT website at www.osrt.org. The Annual Meeting Committee reserves the right to change topics and speakers as needed.

By attending the 2015 OSRT Annual Meeting, you grant the OSRT permission to use your name and your statements about the conference in photographs, videos, advertising or any other type of promotional material. Unless you revoke this permission in writing to the OSRT on or before April 11, 2014, the use of any materials noted above will be implied by virtue of your attendance at the annual meeting.
