

The Ohio Society of Radiologic Technologists  
presents:

An Open Forum Discussion to review the  
newly revised  
ASRT Radiography Draft Curriculum

You can have a voice in this project and  
share your opinion with the ASRT.  
All Radiography Faculty from programs in  
Indiana, Kentucky, Ohio, Michigan,  
Pennsylvania, and West Virginia are invited  
to participate in this discussion.  
The draft curriculum will be reviewed and a  
comment document will be created to send  
to the ASRT.

The ASRT Radiography Curriculum Revision  
Group included our own Angie Arnold, M.Ed.,  
RT(R) and Tricia Leggett, DHEd.,  
RT(R)(QM)

Kent State University

Stark Campus

600 Frank Avenue NW
