This is a great opportunity for you to introduce your business. As an affiliate of the American Society of Radiologic Technologists, the vision of the O.S.R.T. is to promote the excellence of professionals in medical imaging and radiologic science. As a non-profit 501(c) (6) organization, one of our primary activities is to provide professional continuing education to our members in an effort to promote quality patient care.

### Thank you in advance for your support!
